PROJECTS

- **React Portfolio**
    - | Repo: https://github.com/Jimmant91/React_Portfolio
    - | Live Site: https://jimmant91.github.io/React_Portfolio/#/
    - A fully responsive professional portfolio built with React, using SCSS styling technologies to develop a cleaner, smoother page for all up-to-date projects. Features include: A Dark Mode Toggler, A Multi-Page Layout with a static Navbar, and SCSS styling modules.
- **Weather Dashboard**
    - | Repo: https://github.com/Jimmant91/Weather_Dashboard
    - | Live Site: https://jimmant91.github.io/Weather_Dashboard/
    - A clean, simple app that utilizes HTML, CSS, Bootstrap, and local storage to recall current and 5-day weather forecasts for any US city.
- **The Tailorist**
    - | Repo: https://github.com/Jimmant91/the-tailorist
    - | Live Site: https://jimmant91.github.io/the-tailorist/
    - An app that utilizes HTML, Bootstrap, Restful APIs, jQuery, Responsive Design, and JavaScript to provide users with a translation of their favorite cocktail recipes.
- **Workout Tracker**
    - | Repo: https://github.com/Jimmant91/Workout_Tracker
    - | Live Site: https://obscure-spire-84126.herokuapp.com/
    - A fitness app that utilizes MongoDB, a Mongoose schema, and Express.js to log multiple exercises in a given day and track your stats week-to-week, and deployed using Heroku.

WORK EXPERIENCE

Technica Editorial   Carrboro, NC
Senior Editor   12/2020 – Present
- Works with a Marketing Management team to create engaging social media content related to local and international publishing conferences
- Manages social media clients (Twitter, LinkedIn) for minimal SEO tracking with Google Analytics
- Copy edits and proofreads manuscripts and magazine articles for clients such as Thomson Reuters and Porsche Magazine
- Processes scholarly book chapters for American Chemical Society and facilitates peer review until final acceptance

Associate Editor   10/2019 – 12/2020
- Works under tight deadlines to copy edit and proofread special contracted assignments on an as-needed basis

Editorial Assistant   11/2018 – 10/2019
- Manages the editorial offices for six Associate Editors of journals published by the American Chemical Society. This includes managing the peer review process of manuscripts from submission to final decision, working with authors to prepare and edit manuscripts for publication, drafting emails for Editors, and utilizing Excel spreadsheets to communicate complex information daily
- Works under tight deadlines to copy edit and proofread special contracted assignments on an as-needed basis

J&J Editorial   Cary, NC
Editorial Assistant   02/2015 – 12/2017
- Proofread and edited the content of scientific journals in accordance with specific guidelines in preparation for publication
- Provided support to authors through Salesforce queries on assigned projects
- Analyzed publication requirements and ensures that each request is met by a given deadline
- Worked to understand authors' writing processes through technical editing forums
- Created ePub files for Soundview book summaries
- Edited in-house audio summary files to be sold by Soundview for book summaries

L&E Research   Charlotte/Raleigh, NC
Client Services Representative   11/2013 – 02/2015
- Provided research grids to various clients to use in research projects
- Assisted researchers with daily activities and needs
- Maintained customer satisfaction by answering phone calls for the office and providing assistance when able
- Generated daily reports on the day's activities for project managers
